

Make-A-Wish® Northeastern & Central California and Northern Nevada and The Songs of Love Foundation® Come Together to Bring More Smiles!

The Songs of Love Foundation® is a national nonprofit 501(c)(3) organization that creates free, personalized, original songs to uplift children (ages 1-21) facing tough medical, physical or emotional challenges. Each 'song of love' is delivered on USB and/or digital format with professionally produced music and lyrics containing the child's name and references to all of his or her favorite things. Songs are written and performed in any language in the musical style that the child likes by many talented singer/songwriters. As each child is unique, so is every 'song of love'. Since 1996 the **Songs of Love Foundation®** has reached out to over 35,000 children in over 600 hospitals and health care facilities in all 50 states and the world.

Make-A-Wish® Northeastern & Central California and Northern Nevada has teamed up with the **Songs of Love Foundation®** in this unprecedented collaboration that will be providing the children they serve with a musical bridge of hope as they look forward to receiving the life-changing gift of a wish. **Songs of Love®** is thrilled to be bringing the Medicine of Music to the children of **Make-A-Wish® Northeastern & Central California and Northern Nevada!**
